

## Response needed from Kansas' music teachers

KMEA is working to support you as a music educator. We need you to help us to create a state-wide network of support. Contact the music education stakeholders in your district to have them submit one or two names and contact information of supporter of music education that fit these qualifications:

- Are influential in the educational/cultural/business community.
- Supports music education.
- Knowledgeable of the educational validity of music education.

Complete as much as possible for each submission and submit to your district president.  
*(please contact the advocate for their permission to submit their contact information)*
